Nonthermal Processing Division - Workshop

September 15-16, 2005 - Philadelphia, USA

The NPD/EFoST Workshop is an annual international forum for discussion on critical issues in the commercialization of nonthermal processing technologies. Technical sessions, breakout sessions and poster presentations will provide the opportunity for those scientists, engineers and food technologists working in the area to discuss the latest advances and challenges in the development, validation and scale-up of these technologies.

Theme sessions

- **Microbiological safety** (Chair: Cindy Stewart, Co-chairs: Margaret Patterson and Vijay Juneja)
- **Commercial strategies and case studies** (Chair: James Yuan, Co-chairs: Howard Zhang and Hans Hoogland)
- **Regulatory/Consumer acceptance** (Chair: Christine Bruhn, Co-chair: Bala Balasubramaniam)
- **Food chemistry and quality** (Chair: Pat Dunne, Co-chair: Barry Swanson)

Breakout sessions

- **Industrial equipment requirements** (Chair: Dan Farkas, Co-chair: Ed Ting)
- **Validation procedures** (Chair: Larry Keener, Co-chair: Dallas Hoover)
- **Quality attributes methods** (Chair: Alan Kelly, Co-chair: Xuetong Fan)

Poster session

- Chair: Tom Shellhammer, Co-chair: David Geveke

ABSTRACT SUBMISSION DEADLINE FOR POSTERS: AUGUST 22, 2005

Please, e-mail up to 300 words abstract to David Geveke (dgeveke@errc.ars.usda.gov)

Keynote speaker

Robert L. Buchanan (FDA)
"Non-thermal Processing: How Much Is Enough?"

Nonthermal Processing Division - Workshop

September 15-16, 2005 - Philadelphia, USA

Conference venue

Eastern Regional Research Center, NAA, ARS, USDA

600 East Mermaid Lane
Wyndmoor, Pennsylvania 19038
www.arserrc.gov/npd

Social functions

Sept 14 (7.00 PM – 10.00 PM)

Pre-meeting cocktail fete

Sept 15 (6.30 PM)

Dinner at General Lafayette Inn & Brewery

Built in 1732, the Inn maintains its Colonial appeal offering food inspired by Southern and Native American recipes. It houses its own microbrewery, producing local and nationally award-winning beers. One never knows when one may come face-to-face with the Marquis de Lafayette or even George Washington at the General Lafayette Inn!

Nonthermal Processing Division - Workshop

September 15-16, 2005 - Philadelphia, USA

Registration

DETAILS

Title Dr Prof Mr Mrs Ms Miss (Please circle)

First Name _____ Last Name _____

Position _____

Organization _____

Address _____

City _____

State _____ Zip code _____ Country _____

Phone _____ Fax _____

E-mail _____ Cell (Mobile) _____

METHOD OF PAYMENT

☐ Visa ☐ MasterCard

Expiry Date _____

Card Number _____

Card Holders Name _____

Signature _____

☐ Bank check

Make checks payable to **IFT** (Institute of Food Technologists)

Workshop Breakout Sessions – Indicate session preference

- ☐ Industrial equipment requirements
- ☐ Validation procedures
- ☐ Quality attributes methods

Registration Fees

General
Students

Early Fee
before Aug 22, 2005

\$ 275.00
\$ 150.00

Fee on or
after Aug 22, 2005

\$ 300.00
\$175.00

Registrations. Registration opens May 1, 2005. Payment is required prior to attendance. Registrations will not be accepted until the fee is received and will be confirmed by e-mail, mail or fax.

Privacy. Your contact details will be used to produce delegate lists and workshop name badges. Please contact Dr. Lihan Huang if you do not authorize your details to be used for contact lists.

Fees – all prices quoted in US\$. The fee includes lunches, historic dinner (Sept 15), transportation hotel-conference venue, workshop materials.

Enquiries and Registration. Please direct all enquiries and registrations to Dr. Lihan Huang (lhuang@errc.ars.usda.gov Phone: 215-233-6552 – Fax: 215-233-6406)

Meeting Information. The NTP Division 2005 Meeting is being chaired by Dr. Vijay Juneja (215-233-6500) and co-chaired by Dr. David Geveke (215-233-6507), of the Eastern Regional Research Center. Please contact Dr. Juneja or Dr. Geveke with questions about the Meeting, or for more information.
